Dear Supervisors:

ADOPTED

BOARD OF SUPERVISORS
COUNTY OF LOS ANGELES

26 October 16, 2012

Sachi A. Hamai
SACHI A. HAMAI
EXECUTIVE OFFICER

**AWARD A PUBLIC WORKS MAINTENANCE SERVICE CONTRACT
COUNTYWIDE CATCH BASIN CLEANOUT 2012-13,
PRIORITY A AND B CATCH BASINS
IN VARIOUS CITIES AND UNINCORPORATED COMMUNITIES
THROUGHOUT THE COUNTY OF LOS ANGELES
(ALL SUPERVISORIAL DISTRICTS)
(3 VOTES)**

SUBJECT

This action is to award a public works maintenance service contract for Countywide Catch Basin Cleanout 2012-13, Priority A and B Catch Basins, and authorize the Chief Engineer or her designee to execute a maintenance service contract for work in various cities and unincorporated communities throughout the County of Los Angeles.

IT IS RECOMMENDED THAT THE BOARD ACTING AS THE GOVERNING BODY OF THE LOS ANGELES COUNTY FLOOD CONTROL DISTRICT:

Award and authorize the Chief Engineer or her designee to execute and implement the maintenance service contract and establish the effective date following receipt of approved Faithful Performance and Labor and Material Bonds and insurance filed by the contractor for Project ID No. FMD0003126 – Countywide Catch Basin Cleanout 2012-13, Priority A and B Catch Basins, to clean approximately 9,500 catch basins in various cities and unincorporated communities throughout the County of Los Angeles, to J & G Maintenance Services, Inc., a corporation, in the amount of \$133,000.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of the recommended action is to obtain approval from the Board, acting as the governing body of the Los Angeles County Flood Control District (LACFCD), to execute the contract and establish the effective contract date following receipt of approved Faithful Performance and Labor and Material Bonds and insurance filed by the contractor for this project.

On July 31, 2012, Agenda Item 39, the Board approved the project; adopted the plans and specifications; called for bids to be received on August 28, 2012; and instructed the Executive Officer of the Board of Supervisors to advertise the project.

The enclosure includes the project description, the call for bids and bid opening date, a tabulation of bids, and financial information. The certified record of receipt of bids and the original bid proposal are also enclosed for this project.

The recommended maintenance service contract is necessary to execute a Board directed and approved Department of Public Works (Public Works) project in support of operational missions. The Board's approval of the recommended contract award and the subsequent execution of the contract will ensure the timely completion of the project.

Implementation of Strategic Plan Goals

The Countywide Strategic Plan directs the provisions of Operational Effectiveness (Goal 1) and Integrated Services Delivery (Goal 3). Awarding this contract will provide improved infrastructure to better serve the public and enhance the quality of life in the affected communities.

FISCAL IMPACT/FINANCING

This action will have no impact to the County General Fund.

The maintenance service cost of \$133,000 is included in the Fiscal Year 2012-13 Flood Control District Fund Budget.

The enclosure includes the amount of the recommended contract as compared with the engineer's estimate, the other bids received, and more detailed fiscal and financial information.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The contract agreement will be in the form previously reviewed and approved as to form by County Counsel. The recommended contract was solicited on an open-competitive basis and is in accordance with applicable Federal, State, and County requirements. The contractor is in compliance with the Chief Executive Officer's and the Board's requirements.

The award of this contract will not result in unauthorized disclosure of confidential information and will be in full compliance with Federal, State, and County regulations. This contract contains terms and conditions supporting the Board's ordinances, policies, and programs including, but not limited to: the County of Los Angeles' (County) Greater Avenues for Independence and General Relief Opportunities for Work Programs (GAIN and GROW), Board Policy No. 5.050; Contract Language to Assist in Placement of Displaced County Workers, Board Policy No. 5.110; Reporting of Improper Solicitations, Board Policy No. 5.060; Notice to Contract Employees of Newborn Abandonment Law (Safely Surrendered Baby Law), Board Policy No. 5.135; Contractor Employee Jury Service Program, Los Angeles County Code, Chapter 2.203; Notice to Employees Regarding the Federal

Earned Income Credit (Federal Income Tax Law, Internal Revenue Service Notice 1015); Contractor Responsibility and Debarment, Los Angeles County Code, Chapter 2.202; the County's Child Support Compliance Program, Los Angeles County Code, Chapter 2.200; the County's Defaulted Property Tax Reduction Program Ordinance, Los Angeles County Code, Chapter 2.206; Local Business Enterprise Preference Program, Los Angeles County Code, Chapter 2.204; and the standard Board-directed clauses that provide for contract termination or renegotiation.

The State Public Contract Code requires the LACFCD to award construction contracts to a responsible contractor with the lowest responsive bid, which is defined as the firm that: (1) submits the bid with the lowest cost; (2) is deemed by the LACFCD to be responsive to specific criteria under the solicitation including, but not limited to, licensure, bonding, and insurance requirements; and (3) is determined by the LACFCD to be a responsible bidder by exhibiting the capability, capacity, experience, trustworthiness, and financial wherewithal to perform the work required under the bid solicitation.

To ensure the contract is awarded to a responsible contractor with a satisfactory history of performance, bidders are required to report violations of the False Claims Act, criminal convictions, civil litigation, defaulted contracts with the LACFCD, complaints filed with the Contractor's State License Board, labor law/payroll violations, and debarment actions. As provided for in Board Policy No. 5.140, the information reported by each respective contractor was considered before making this recommendation to award.

The plans and specifications include the contractual provisions, methods, and material requirements necessary for this project and are on file with Public Works.

ENVIRONMENTAL DOCUMENTATION

On July 31, 2012, Agenda Item 39, the Board found this project to be categorically exempt from the provisions of the California Environmental Quality Act.

CONTRACTING PROCESS

The contract was solicited on an open-competitive basis in accordance with the provisions of the State Public Contract Code.

The State Labor Code requires contractors to pay prevailing wage rates to all persons employed on public works construction contracts. These rates are determined by the Department of Industrial Relations and include contributions for fringe benefits such as vacations, pension funds, training, and health plans for each employee.

To further increase contractor awareness of contracting opportunities with Public Works, this project was listed on the County website for upcoming bids. Public Works will review and approve the Faithful Performance and payment bonds filed by the contractor.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

This maintenance service contract will result in improved public works infrastructure in the communities where the work is scheduled.

CONCLUSION

Please return one adopted copy of this letter to the Department of Public Works, Construction Division.

AWARD OF CONTRACT
October 16, 2012

PROJECT ID NO. FMD0003126 – Countywide Catch Basin Cleanout 2012-13, Priority A and B Catch Basins (in various cities and unincorporated communities throughout the County of Los Angeles), All Supervisorial Districts.

TYPE OF WORK: Cleaning of approximately 9,500 catch basins and the performance of other appurtenant work.

CALL FOR BIDS DATE: July 31, 2012 (Agenda Item 39)

BID OPENING DATE: August 28, 2012

BID SUMMARY:

Low	+J & G Maintenance Service, Inc., a corporation 8329 Lyndora Street Downey, California 90242 (323) 492-2366	\$133,000.00
2	+Ron's Maintenance +LSBE	\$142,500.00

FINANCIAL INFORMATION:

Amount of estimate	\$114,000.00
Amount of recommended contract	\$133,000.00
Amount of recommended contract above estimate	\$ 19,000.00

The amount of the recommended contract is 17 percent above the estimate, which was based on previous years' contracts. While the bid price is significantly higher than the estimate, the bids received are competitive and readvertising the project will result in increased contract administration costs and delay in cleaning the subject catch basins with no guarantee that lower bids will be received. Therefore, we recommend award of the contract to the low bidder.

Sufficient funds for this project are available in the Fiscal Year 2012-13 Flood Control District Fund Budget.

ENVIRONMENTAL IMPACT:

On July 31, 2012, Agenda Item 39, the Board found this project categorically exempt from the provisions of the California Environmental Quality Act.

CONSTRUCTION SCHEDULE:

This project is to be completed in 60 working days. It is estimated the work will start in November 2012 and be completed in February 2013.
